

A diagram illustrating the layout of a card. It features a large white rectangle with a solid green border. Inside this rectangle, centered, is the text "safe zone - we recommend keeping any text and/or important information within this zone". The text "safe zone" is in green, while the rest is in grey. Surrounding the entire white rectangle is a dashed black border. At the bottom of the diagram, there is text explaining the dashed border: "cut line - the finished card will be cut to this line" and "bleed - extend your background color, artwork, or images to fill this area".

safe zone - we recommend keeping any text and/or important information within this zone

cut line - the finished card will be cut to this line

bleed - extend your background color, artwork, or images to fill this area

A diagram illustrating the layout of a card. It features a large white rectangle with a solid green border. Inside this rectangle, centered, is the text "safe zone - we recommend keeping any text and/or important information within this zone". The text "safe zone" is in green, while the rest is in grey. Surrounding the entire white rectangle is a dashed black border. At the bottom of the diagram, there is a line of text: "cut line - the finished card will be cut to this line". Below this line is another line of text: "bleed - extend your background color, artwork, or images to fill this area".

safe zone - we recommend keeping any text and/or important information within this zone

cut line - the finished card will be cut to this line

bleed - extend your background color, artwork, or images to fill this area
